Lion Pablo Romano
 President, USA Leo Leadership Foundation

Lion Pablo,

The Council of Governors of Multiple District 35, Florida and the Bahamas are very proud to unanimously endorse the First USA/Canada LEO Leadership Forum to New York in August of 2017.

This forum is long overdue as LEO's are not only the future of Lions but offer invaluable service to their communities today. The opportunities and experiences the LEO's will gain at this forum will be a benefit to Lionism, their communities and to the LEO's as well, not only today but the future as well.

This forum will provide the leadership skills, knowledge and most importantly fellowship of other LEO's so they can expand the work of Lions worldwide.

The Council of Governors wish you the greatest success in this and future forums.

Yours in Friendship & Lionism,

Larry G. Hopkins
 Council Chair MD-35
